

Terms of delivery for the sale of machinery

Reservation of ownership

The machine remains the property of Gleser GmbH until full payment has been made.

Warranty

Each machine offered for sale may be inspected in advance.

Prior to conclusion of the contract, the seller has the opportunity to test the functionality of the machine during an announced inspection. Machines that have already been taken out of service may be refurbished to working order for the purpose of a test run, at additional cost.

In the case of used machines, the stipulation 'purchased as offered or as seen' applies. Any warranty and liability for material defects discovered after the sale is excluded.

The sale is conducted without guarantee and without right of withdrawal. No returns accepted.

Payment

Upon receipt of invoice - payment must be made immediately in advance, without deduction.

Delivery and shipping

The goods are only ready for delivery after payment has been received.

The buyer bears sole responsibility for handling at the factory, loading onto the truck, securing the load and transport.

Jurisdiction
